Priorities of Ocean and Coastal Partner Organizations

Ocean Conservancy is working ***with you*** to protect the ocean from today's greatest challenges. **Together**, we create evidence-based solutions for a healthy ocean and the wildlife and communities that depend on it.

Conservation Programs

Confronting Climate Change

Trash Free Seas

Sustainable Fisheries

Advancing Ocean Justice

Protecting Florida

Protecting the Arctic

“Cross-cutting” teams include Government Relations and our Science Team (among others!) – we support the institution across these programs

Priorities of the Government Relations Team

- Funding
- Plastic Reduction & Marine Debris
- Clean Ocean Energy
- Ocean Carbon Dioxide removal
- Deep Sea Mining
- Sustainable Fisheries and Magnuson-Stevens defense
- Ocean justice
- Implementation of IRA funding and Ocean Climate Action Plan

How do we advocate?

- Education
 - Direct Advocacy (meetings, letters, etc.)
 - Fly-ins
 - Communicating to partners on key issues and activating constituencies
 - Activating our membership
- 

Science informs our advocacy!
